AFFAIRS IN BROOKLYN.

A YOUNG WOMAN SET UPON BY THREE MEN.

IT WAS NEAR THE SPOT WHERE LIZZIE BUHLER MET HER DEATH-SAVED BY A POLICEMAN. Mrs. Ceila Cosgrove, a young woman living at No. 143 Troutman-st., narrowly escaped the fate of Lizzle Bubles on Wednesday night, while walking on the Long Island Railroad track near the spot where the body of the unfortunate Buhler girl was found a week Mrs. Cosgrove is the wife of a sailor. On Wednesday she went to Maspeth to spend the evening with friends. It was nearly midnight when she started She was alone and was compelled to walk some distance before getting a horse-car to Brooklyn. At Flushing-ave, the woman was accessed by three men, who jumped out from behind an embankment. One of the men seized her and threw her ciotently to the ground. She struggled to regain her feet and cried for help. Her screams were heard by Sergeant Spreckley, of the Sixth Precinct, who happened to be near. The officer ran to the scene and saw the three men standing over the prestrate form of their victim, whom they had beaten almost into insensibility. As soon as the men saw the officer they attempted to escape. Spreckley succeeded in arresting one of them, who said he was Edward Clark, of No.

names of his companions.

At the station-house the prisoner was identified by a young woman named Annie Smith as the man assaulted her a year ago near the spot where he had met Mrs. Cosgrove. The young woman said she lived at No. 62 Knickerbocker-ave., and when she saw Clark she fell into a faint. When Clark was arraigned before Justice Goetting he was held until Thursday for examination.

STREET RAILWAY COMPANIES RECEIVE PER-MISSION TO OPERATE THEIR LINES BY THE TROLLEY SYSTEM.

The Brooklyn Board of Aldermen held their last meeting before the summer vacation, which they have extended to the last Thursday in September, in the City Hall last evening. The principal action taken related to the granting of franchises to two street rall-food companies. The Union Rallroad Company received a franchise for a car line, to be propelled by horses, or the overhead trolley, in Hamilton ave., Union-st. and Ninth-ave., from Hamilton Ferry to Greenwood Cemetery. The new portion of the route is Union-st., and it will be a direct route from Hamilton Ferry to Prospect Park. The right to build over it was sought by another company, which was organized recently and offered the sum of \$35.000 for the franchise, but did not secure the consent of the property-owners. A number of influential politicians are interested in the company which secured the fran

chise and which pays nothing for it.

The Aldermen also granted a franchise to the Coney Island, Fort Hamilton and Brooklyn Railroad Company, to operate a surface road by the troller sys tem in Fifth-ave, and Fighty-sixth-st., from Green-wood to Coney Island. The Atlantic Avenue Railroad Company sought the right to extend its road in Fifthave., from Thirty-sixth-st, to sixtleth-st, which is covered by the route of the new company. Both franchises were granted by a vote of 16 to 2. Aldermer Thomas and Hess were in the negative. President Coffey declined to vote, as he is interested in the com-

panies.

The Aldermen made some minor changes in the ward boundaries as fixed last week, but they are of trivial

A GANG OF YOUNG BURGLARS CAUGHT.

Nine young men whose ages ranged from thirteen to nineteen years were arraigned in the Adams Street Police Court, yesterday on three charges of burglary. Complaints of their depredations had been made to the police of the Second Precinct for some time, and Detective-Sergeant Noonan was detailed on the case. With the assistance of Roundsmen Farley and Mc-Loughlin, he succeeded in arresting James Reilly, of No. 1 United States st.; Timothy Barrett, of No. 233 Mymouth-st.; James Kelly, of No. 245 Bridge-st. William Dernie, of No. 144 York-st.; Hugh McDonald, of No. 229 Plymouth-st.; Andrew Malone, of No. 39 Gold-st.; William Barrett, of No. 233 Plymouth-st.; Daniel Wilson, of No. 33 Tallmen-st., and John Doyle, of No. 62 Tallman-st. The specific charge against the gang was breaking into the provision store of Edward Bolles, at No. 116 bridge st., on Sunday and stealing stock to the amount of \$25. On Tuesday four of them secreted themselves in the brass foundry of Henry Fisher, at No. 82 Pearl-st., until the place was closed for the night and then carried off brass fittings worth \$25, while the rest entered the store of Thomas Godfrey, at No. 47 Jay-st., and stole stock worth \$17.

Wilson appeared to be the recognized leader of the gang, and a bunch of skeleton keys and two of the staden pens were found in Devine's pocket. Although contessing their guilt the boys all entered a formal plen of not guilty, and Justice Walsh adjourned the case until to-morrow.

THE FAMILY IS AGAIN UNITED.

Mrs. Ellen D. Fisk, the eldest daughter of the late Dr. Herbert Fearn, of No. 196 Clermont-ave., applied to Surrogate Abbott yesterday for letters of administration on her father's estate, as he had died without leaving a will. The fact that he had secured a divorce from his wife about seventeen years ago was wel known to most of his friends. The separation, it is said, was due to the jealousy of Mrs. Fearn. Dr. Feam was anxious to keep the children and an agree ent was made that she should have \$2,500 to relinquish all claim to them. The children were brought by the widow of a naval officer. The children kept up constant communication with their mother and on their father's death the services of the house keeper were dispensed with and Mrs. Fearn returned

Dr. Fearn had a large practice among the residents "The Hill" and left & great deal of real estate But his personal property, the money he had in his safe, was only \$3,500. His mother, who was a physician in New-York for many years, left real estate worth about \$100,000, for the benefit of the children. He was to have the use of this money as long as be lived, and then he probably left as much more. children will take care of their mother and the family It is said that the physician also had about \$25,000

insurance on his life, and that a policy for \$5,000 was made payable to the housekeeper.

ELEVATED ROADS ASSESSED \$200,000 A MILE.

There has been considerable confroversy over the rate of taxation which should be levied upon the elevated railroads of Brooklyn. In an action brought ost the roads last year for a settlement, the courts fixed the valuation of assessment at \$170,000 a mile William Ziegler, a large property owner, who has take a great interest in the affairs of the city government. sent a communication to the Board of Assessors, insisting that the assessed valuation should be at the rate of \$400,000 a mile, and that he would give that

amount for the road. The Board of Assessors mot yesterday and late in the afternoon the question of the assessment was taken up. President Wilson presided. Assessor Small moved to adjourn, but Mr. Wilson urged that immediate actio be taken, and Assessor Patterson concurred with the chair. After a prolonged discussion Mr. Patterson moved to fix the valuation at \$200,000 a mile, for all the city's glevated roads. Assessor Kurth moved to make it \$250,000 a mile, but the motion was not seconded. He then moved to make it 250,000, but

the motion was lost. When the vote was taken it was found that ten ere in favor of \$200,000 a mile and that two ve in the negative. The latter were General James Mc-Leer and Augustus Kurch.

THE BABY HELD FOR HIS BOARD BILL. James Watson, a former boarder in the family o complained to Clerk Scheupphaus, of the Lee Avenue Police Court, yesterday, that his child, a boy aline months old, was being held by Mrs. Tiedeman, for his board bill. Watson told the clerk that his wife had deserted him, six months ago, leaving him to care for the baby. He then found board with the Tiedeman family and everything went well until he lost his place. His board bill then began to get so large that he was told to leave the hon-e. He went away, leaving the child in the care of Mrs. Tledeman until he could find another place to live. This he succeeded in doing, and when he called for the child they refused

to let him have the boy
Clerk Soheuppaaus issued a summons for Mrs. Tiedeman's appearance in court, when it will be decided who
shall have the child.

HER LEG CUT OFF BY A CONEY ISLAND TRAIN Mrs. Emma Thorn, of No. 132 Jeffer-on-ave., had her left leg cut off by a Manhattan Beach train, at Atlantic and Nostrand aves., last evening, as she was alighting from the train, returning from Coney Island. She was taken to the Homocopathic Hespital. The conductor of the train was arrested. He said Mrs. Thorn's foot

slipped and he did not notice her dangerous position when he signalled to start. Two cars passed over her leg. Mrs. Thorn was accompanied by her husband. He was arrested by the police for intoxication.

GATHERED ABOUT THE TOWN. Police Commissioner Hayden yesterday appointed as solice matrons Mrs. Annie C. Leyden, of No. 61 Poplar-st., and Mrs. Catharine Fitzpatrick, of No. 370 lay-st., and assigned them to duty in the new Nine centh Precinct Police Station. This makes a total

HE CANNOT BE REINSTATED IN THE MINISTRY. The committee of five Protestant Episcopal bishops appointed by Bishop Potter, at the beginning of last month, to pass upon the reinstatement to the ministry of Francis E. Shober, who was deposed, has just an-nounced its decision. The case has caused widespread interest and the result has been looked forward to in ecclesia-tical and church circles throughout the country Mr. Shoher was a student at St. Stephen's Theological Institute at Annandale, and while there he married Miss Aspinwall, and his mother in law had a church built in Barrytown and installed him as its pastor The middle of last December Mr. Shober became ill and wrote to Sishop Potter asking that he might be de-posed from the ministry, and making certain confessions as to his mast life.
